Hi How Ya Doin’

Hi, how ya doin’, nice to see ya,
How ya been?
I haven't seen ya since I can't remember when

Hi, how ya doin’, how's the family,
Who's your friend?
I'm just so happy that I'll sing it once again

Hi, how ya doin’, nice to see ya,
How ya been?
I haven't seen ya since I can't remember when

Hi, how ya doin’, how's the family,
Who's your friend?
You can say "Hi" no matter what country you're in

I'll show you what I mean

Yassou (Greek)
Buon giorno (Italian)
Sawaddi (Thai)
Guten tag (German)
Hola (Spanish)
Namaste (Hindi-India, East Asia)
Neih Hou (Mandarin- Chinese)
Konnichiwa (Japanese)

Hi, how ya doin', nice to see ya,
How ya been?
I'm out of time so now this song has got to end

It should have ended then

I still don’t know your friend

But now this song must end
