

The Citizenship

CHORUS

All aboard, life is an adventure.

All aboard, share the journey every day.

All aboard, we are here to help each other, as we travel on our way.

VERSE 1.

There'll be times when we won't make the smartest choices,

Everyone will make mistakes, there is no doubt.

Sometimes we will find ourselves in deep, deep water,

But there'll always be a hand to bail us out!

CHORUS

VERSE 2

Try to treat all people as you'd have them treat you,

Show respect and care for everyone you meet,

One day, all the drops of kindness that we scatter,

Will join up and form into one great big sea!

CHORUS

VERSE 3

In this boat of life, we all must work together,

We'll receive, but we must be prepared to give.

Just remember true success in life is measured

By the good we do and how we choose to live.

CHORUS X 2
