

Our School

Verse 1

All through the week, this school's our special place.
We'll do our best to get to know each face.
We've learnt it's a happy place to be,
It's filled with caring people, as you'll see!

Chorus

*We'll read and write and paint and sing,
Give our thanks for everything,
Delight in what each new day brings,
As we journey on together*

Verse 2

We're all in this together, it's our rule.
No matter what the weather, we'll be cool!
Everyone has special gifts to share.
We'll do our best to show each one we care!

Chorus

Verse 3

We know we'll have our ups, we'll have our downs.
Some days we wear our smiles, we wear our frowns.
It's so good to know that in the end,
We'll be there for each other, we'll be friends!

Chorus

Verse 4

We'll be sincere in everything we do,
Act honestly and always seek the truth.
Working hard to earn each other's trust,
We'll build a school for all that's safe and just!

Chorus
