*Do you have weird dreams? Are they as weird as mine? Log on to [www.marlalewis.com](http://www.marlalewis.com) and tell me all about them!*

Once I dreamed I lost my nose  
I went looking every place  
I found my best friend and I froze  
'Cause my nose was on his face!  
I yelled, "YOU STOLE MY NOSE!"  
He smiled and said, "That's TRUE!"  
I woke up with a start  
And I ran to the mirror--Whew!

*I have the weirdest dreams  
Weirder than science fiction  
Put 'em on the silver screen  
Betcha I'd make a million!  
Just before I fall asleep  
I wonder what's in store  
Will I turn to liquid  
And splatter on the floor?*

Once I dreamed the whole wide world  
Started walking on their hands!  
We had a race, boys against girls  
And we even learned to dance  
But we got stuck that way  
I said, "HOW WILL WE EAT???"  
And then I saw kids practice  
Holding hot dogs with their feet!  
(Pass the mustard, please!)

*I have the weirdest dreams  
Weirder than science fiction  
Put 'em on the silver screen  
Betcha I'd make a million!  
Just before I fall asleep  
I wonder what's in store  
Will we all talk backwards  
Will ducks move in next door?*

*Hey all you kids out there!  
With weird dreams, too!  
Let's start a Weird Dream Club  
I need more friends like you!*
