

# Counting to One Hundred

(Sung to: Oh My Darling Clementine)

C  
I'll be counting to one hundred,  
C G  
It will take about a year!  
F C  
'Cause I've never seen one hundred,  
G C  
But it's **HUGE**, that's what I hear!

C  
I'll be nine when I start counting,  
G  
In a year I'll reach the end.  
F C  
I'll just count and count some more and ~  
G C  
When I'm done I will be ten!

C  
So, I'm counting to one hundred  
G  
In a voice that's loud and clear.  
F C  
Now I'm half way to one hundred,  
G C  
And it didn't take a year!

## If I Were A Groundhog

If I were a groundhog, there's really no doubt  
I'd stay cuddled up and I wouldn't come out.  
Why would I wake and come out of my hole?  
Just to search for my shadow and get really cold!
