Let’s make the world a better place
One Christmas at a time.
How great it would be, I can almost see it.
Kinder, friendlier
Ev’rywhere there’s peace.
Let’s make the world
Yes, let’s make the world
A better place one Christmas at a time.

Some people say that Christmas spirit ends
When wrapping paper’s thrown away.
We’re never ever gonna change the world
With just one day.

But maybe if each Christmas makes us care a little more
And be a little kinder than we were the year before
And good will and good fellowship, charity and cheer
Can stick with us the whole year long,
Christmas lasts all year.

Let’s make the world
Oh, let’s make the world a better place.
I know we can do it!

Let’s make the world a better place
One Christmas at a time.
How great it will be, I can guarantee it.
Brighter, happier, what a sight to see!
Let’s make the world
Oh please, let’s make the world
A better place one Christmas at a time.
