

5. Mama Don't Allow

(Traditional American folk song; Public Domain)

It's fun to make up new verses for this song, with different homemade sounds. This song has also inspired a book by the same name by Thatcher Hurd. Sorry, moms!

(Chorus:)

Mama don't allow no music playin' 'round here

Mama don't allow no music playin' 'round here

Well, we don't care what mama don't allow, gonna play that music anyhow

Mama don't allow no music playin' 'round here

2. ...hand clapping
clap our hands

3. ...foot stomping

4. ...tongue clucking
cluck our tongues

5. ...cats meowing
meow like cats

6. ...dinosaurs roaring
roar like dinosaurs

7. ...saxophone playing
play our saxophones

8. ...bass playing; ...drums playing
play bass & drums

(Chorus)
