

## **Manuel the Great**

The star of the circus is  
Manuel the Great  
He does a dance  
That's done in 50 States  
(and Canada!) (and Mexico!)  
Watch him wiggle  
Watch him undulate  
Oh the star of the circus is  
Manuel the great

He does the hula  
He does the twist  
He does a waltz  
He does some tap  
He does a cha-cha  
He does some ballet  
He does a march

And then he stops  
And bows  
And everyone  
applauds
