

## **More Love**

I've been travelin'  
Around and round  
I've been up  
And I've been down  
Made lots of noise  
And not a sound  
And there's one thing I've found  
(We need) more love, more love  
That's what we need more of  
(That's one thing I'm sure of)  
More love, more love  
That's what we need more

Learned when to stop  
Learned when to go  
When to take a stand  
Or go with the flow  
I hold my hat  
When the big wind blows  
And there's one thing I know

Everybody knows it  
Everyone knows how  
Why wait any longer  
Let's start now
