

The Bouncing Ball

© 2014 BatDuo Music Publishing

I'm a yellow bouncing ball, a squishy squashy ball,
I love to bounce around, high up off the ground
I'm always happy having fun, love to get thrown by anyone
Against the wall or in the hall I'm always having fun

In the park or on a court I'm ready to be thrown
Throw me up to the sky, I'll never be alone.
I'm a yellow bouncing ball, it's all I've ever known
So toss me high up in the sky, and watch me in my zone

I go...Bounce bounce bounce, that's just what I do
I always bounce around, I'm waiting here for you
I go...Bounce bounce bounce, that's just what I do
I always bounce around, look out I'm coming through
Bounce bounce etc...fade out
