

A Bakers Dozen

© 2014 BatDuo Music Publishing

I love to bake
Cakes and cookies I make
Pies and muffins too,
I will bake them for you.

2 plus 2 is 4,
Now will make us some more
4 rows of 3
Makes a dozen for me

Now you bake with me,
We start with 1, 2, 3
Then go to 4, 5, 6,
And now we start to mix

Come bake with me
The eggs we will need are 3
And cups of flour too
The spoon I leave for you
