---

I'm a man man manatee, swimming along  
I love to swim while I'm singing my song  
eat river grasses all day long  
I'm a man man manatee singing a long

I'm big and bulbous without a nose  
I swim all day without my clothes  
I don't know my face from my toes  
I'm a man man manatee everybody knows

My name is Manny, I'm a manatee  
People come from miles away so they can see  
The way I swim, the way I'm free  
I'm minding my manners I'm Manny the manatee  
I'm Manny the manatee

**They say I'm cute, I'm ten feet long  
Adorable when I'm swimming along  
I never tire I'm wild and free  
I'm Manny the Manatee**

I love to swim I'm big and stout  
I'm a gentle giant that's what I'm all about  
Please and thank you and yes indeed  
I'm a man man mannerly manatee

**They say I'm cute, I'm ten feet long  
Adorable when I'm swimming along  
I never tire I'm wild and free  
I'm Manny the Manatee, I'm Manny the Manatee**
