

# NOW THE DAY IS OVER

- Joseph Barnby, 1909

*This song was a favorite of my family as we would sit around our campfire after dark, making 4-part harmony. There are many verses – I only recorded three of them.*

Now the day is over, night is drawing nigh  
Shadows of the evening steal across the sky  
Grant to little children visions bright of Thee  
Guard the sailors tossing on the deep blue sea  
Through the long night watches may Thine angels spread  
Their white wings above me, watching round my bed
