## verse one:

I'd like a little respect if you don't mind.  
I'm not the grooviest person you'll ever find,  
But I'm here on Earth  
With you and the others, and we all have worth.  
Uh-huh. Uh-huh.  
You look like you might resist,  
But I'm gonna insist on...

## chorus:

A little respect.  
Just treat me like you wanna be treated.  
Respect.  
I don't want this thing to get over-heated.  
I really hope you won't object  
To giving me  
A little respect.

## verse two:

I'd like a little respect if that's okay.  
You're not my favorite person, but I'm here to say  
I have regard for you,  
Not huge amounts, given what you do,  
But some, yeah some.  
You look like your head's on fire,  
But I'm gonna require...

Now hold it steady with....

## **(repeat chorus)**

## chorus tag:

A little respect  
Am I asking too much?

## bridge:

I'm not suggesting we shake hands,  
But the insults have to cease.  
It's okay to be angry,  
But may we please increase  
Our chance for peace?

## **(repeat chorus)**

## verse three:

I'd like a little respect and nothin' more.  
We're not lookin' for friendship, but don't slam the door  
'Cause ya never know,  
We could take a break, let a cool wind blow.  
Uh-huh. Uh-huh.  
I feel better already.
