

# FAIRNESS AWARENESS

## verse one:

I am giving two to you,  
I am giving three to me.  
Whatcha frownin' for?  
Okay, here's one more.  
We will live in harmony.

## verse two:

I prepare a scrumptious meal.  
Near the end I see you smirk.  
You eat all the pie,  
Causing me to cry.  
Wow, your manners need some work!

## chorus:

Fairness awareness—  
Equity for you and me.  
Put your prejudice aside.  
Let your mind be open wide.  
Fairness awareness—  
Do what's right for all to see.  
Let the winds of truth prevail,  
The ships of justice sail  
To Fairness Awareness Land.  
Wouldn't that be grand?

## verse three:

When I listen carefully,  
I see other points of view.  
I take turns and play  
By the rules each day.  
I don't take advantage of you.

## verse four:

I correct mistakes I make.  
You deserve an even shake.  
I do not defend  
Wrongness by a friend.  
Yet, sometimes we all need a break!

## **(repeat chorus)**

## bridge:

Some wonder whom to blame  
For this outrageous game.  
I know that some say  
It's kind of a dumb day  
When time signatures can't stay the same.  
To this I will reply, I need not justify  
Changes quite charming, if somewhat disarming,  
That help us tell boredom good-bye.

## **(repeat chorus)**
