

TRUSTWORTHINESS

words and music by Dave Kinnoin
©2010 Song Wizard Music (ASCAP)

verse one: (honesty)

I tell the truth—every word and deed.
I don't cheat or steal.
I don't deceive, don't use trickery
'Cause I've got to keep it real.

chorus:

Trustworthiness.
Trustworthiness.
I profess nothin' less than
Trustworthiness.

verse two: (integrity)

I hold on tight to my principles.
Haven't lost them yet.
I never will. They are not for sale.
What you see is what you get.

(repeat chorus)

bridge:

It feels so good to know
Others believe in me.
Each day is a chance to grow.
I can't wait to see
What I'm able to be.

verse three: (promise-keeping)

I take great care with my promises
So there is no doubt.
I'm crystal clear in what I say I'll do.
I don't try to wiggle out.

(repeat chorus)

verse four: (loyalty)

I'm well aware in some relationships,
I am duty-bound
To work as one, serve the common good,
And to keep us safe and sound.

(repeat chorus)
