

WHERE DID MY MONEY GO?

words and music by Dave Kinnoin

verse one:

I had a bundle of money:
A couple of fives and a one,
Seventeen nickels, a dime, and five pennies—
A pretty good sum for some fun.
I can remember the movie.
There was some food and a drink.
I must've spent more, maybe at the toy store.
I'm scratchin' my head as I think.

chorus:

Where did my money go?
Where did my money go?
My pockets are empty, and I wanna know,
Where did my money go?

verse two:

Let's see, the movie was four bucks.
Three dollars more for the snacks.
The toy store was havin' a special on posters:
Two for four-fifty, plus tax.
I bought a couple of gumballs—
That brought me down to one dime.
That seemed so small,
I bought another gumball.
It seemed pretty smart at the time.

(repeat chorus)

bridge:

I have learned a lesson,
Now that my stack is thin.
I need to take care—I better beware:
Those gumballs can do you in.

(repeat chorus)
