PLANT A SEED

words and music by Dave Kinnoin
©1998 Song Wizard Music (ASCAP)

I know what I want:
I want to plant a seed.
I have soil and water—
That's all I need.
I poke a hole with my finger,
Drop the seed in,
Cover it up, pour the water,
And wear a big ol' grin.

(repeat two times)

That grin is important
When you plant a seed.
