## verse one:

I was thinking just the other day  
About a cool thing.  
I think I'll do it,  
Think I'll find a way to have my cool thing.  
I'll pull a book down off the shelf.  
I can take care of the rest myself.

## chorus:

I'm gonna pour that story all over me.  
I've got a cool thing!

## verse two:

I'll be going somewhere today  
I've never been before.  
As I turn each page,  
I'll be opening another door.  
I'm gonna sit here under the sun.  
Before I'm done, I'm gonna have some fun!

**(repeat chorus twice)**

## bridge:

Don't bother me, I'm busy.  
I'm almost through this chapter.  
I'm really getting into it now.  
I'm racing to the finish.  
I have to know what happens.  
I really, really love my cool thing.  
And how!

**(repeat chorus)**
