verse one:

Grandmother's callin' on the telephone.
Mama says, "Tell her I'm not home."
Joe pushes Julie off the jungle gym.
I wonder if I oughta go tell on him?
Maybe I will, maybe I won't.

verse two:

Daddy's on the freeway goin' eighty-five.
I can't wait till I learn to drive!
A lady drops her wallet in the restaurant.
I could spend that money on some stuff I want.
Maybe I will, maybe I won't.
Maybe I will, maybe I won't.

bridge:

Tug of war in my head.
What was that my conscience said?

verse three:

Nobody's lookin' at the mall today.
I could grab a shirt and just walk away.
Debbie got a copy of the test last night.
I could take a peek and get the answers right.
Maybe I will, maybe I won't.
Maybe I will, maybe I won't.

(repeat bridge)

verse four:

The big boss says I've gotta use good sense:
Shut my mouth and shred the evidence.
I'm lookin' back on my history,
Tryin' to figure out how this all happened to me.
Maybe I will, maybe I won't.
Maybe I will, maybe I won't.
Maybe I will, maybe I.....
Won't.
