## verse one:

Kinda like a kid on a swing,  
Livin' with the world on a string,  
Smilin' with the sun on his face.  
Little like the smell of new hay  
In the middle of a sweet summer day.  
Kinda like a moment of grace.  
It's a feel thing, what-a-deal thing—  
It's the real thing now.

## chorus:

You do my heart good.  
Stronger with every beat, gets me up on my feet.  
Who knew you could do my heart good?  
You brought my rhythm back.  
Everything's right on track.  
Out of the blue, as if on cue,  
I love how you do my heart good.

## verse two:

I never really liked to get beat.  
There were even times I would cheat.  
Now I wanna play fair and square.  
Suddenly I'm changin' my style.  
Gonna stick around for a while.  
I finally have a reason to care.  
It's a new thing, see-it-through thing,  
Dream-come-true thing...Wow!

## (repeat chorus)

## bridge:

I wanna write it across the sky  
So the whole world can see  
What you're doin' for me.

## (repeat chorus)
