

Raise in Praise

(Verse 1)

You search every heart

Every mind

Every soul

What will you find

When you look into mine

Search me

Through and through

May my praises be true

(Chorus)

My hands will raise in praise

They'll raise in praise

Raise in praise

You hear me

And you see me

Surrender all to be free

To praise my Savior now

Raise in praise

Raise in praise

You hear me

And you see me

Surrender all to

Raise in praise

(Verse 2)

In good times and bad
When I'm happy or sad
What will I do
Search me through and through

(Bridge)

Raise

In praise

Raise

In praise

Raise, raise in praise

Raise, raise in praise

Raise, raise in praise

(Chorus 2 times)

Raise in praise

Raise in praise

Raise in praise
