

Five Little Monkeys

(Tune: "Down in the Meadow by the Itty Bitty Pool")

Five little monkeys swinging from a tree, (Hold up five fingers.)
Teasing Mr. Alligator, "Can't catch me." (Point finger as if teasing.)
Along came Mr. Alligator quiet as can be, (Palms together and swish.)
And snatched a monkey right out of that tree! (Clap hands.)

Four little monkeys... (Hold up appropriate number
Three...two...one... of fingers on hand.)

"Missed me, missed me- (Stick thumbs in ears and tease.)
Now you gotta kiss me!"

Activities: Children will love to act out this song. Choose one child to be the alligator and five children to be the monkeys.
