

I Had a Bird

I had a bird, and the bird pleased me.

I fed my bird by yonder tree.

Bird went, "Tweedle dee dee."

(Flap arms like a bird.)

Duck – "quack, quack"

(Open and shut palms like a bill.)

Pig – "oink, oink"

(Stick nose in air.)

Cow – "moo-moo"

(Index fingers above head for horns.)

Dog – "woof-woof"

(Hands behind back like a tail
wagging.)

Activities: Let children make stick puppets and hold them up as the song is sung.
