

### Super Star Chant

*Here's another chant where you get to fill in the name of your school.*

(School), (School) is the best! (Children repeat each line.)

(School) is better than all the rest!

We can read and we can write

And our letters are out of sight.

We can count and we can add

And that makes our teacher glad!

We make new friends and follow rules.

Getting along is really cool.

We can learn and we can play

And we prove it everyday!

(School), (School) is the best!

(School) is better than all the rest!

We are super, yes we are.

Look out world, here comes a star.
