

## 19. LITTER PATROL

Well, here we go, (Clap and snap fingers to the beat.)

We're on the litter patrol.

We're going to work all day

To put the trash away.

The planet earth, you see

Is our habitat.

We're going to clean it up,

Well, how about that!

Activities: Make litter boxes from empty cereal boxes. Cut off the top of the boxes and tie on a piece of string. Children can wear gloves and pick up trash on the playground. Or, they can put these litter boxes in their cars.
