

Ten Commandments

The Ten, the Ten, the Ten Commandments.
The Ten, the Ten, the Ten Commandments.

Love the Lord with all your heart.
The First, the First, the First Commandment.

Never bow down to idols.
The Second...

Never say God's name in vain.
The Third...

Remember, rest on the Lord's Day.
The Fourth...

Obey your mom and your dad.
The Fifth...

Don't get angry and don't hate.
The Sixth...

Stay true to the one you marry.
The Seventh...

Never take what isn't yours.
The Eighth...

Tell the truth, never lie.
The Ninth...

And don't covet what your friends have.
The Tenth...

If you learn them then you'll know
How your life should really go.

The Ten, the Ten, the Ten Commandments.
