Flowers in a Vase Craftivity Instructions

Materials: Each child will get ...

1. One 2-part vase, copied onto cardstock (page 5)
2. Two flowers per stem, copied onto cardstock (pages 5-6. Glue one flower on either side of the stem to maximize sturdiness and to hide stems.)
3. Stems: Use pipe cleaners, card stock, or folded construction paper.
4. Coupons (p. 7)
5. Vase pages: Choose which messages work for your students (p. 8-20).

Children can choose how many flowers they want to make and how many coupons they want to use. They may want to glue additional coupons onto the vase pages.

1. Hand out vases, flowers, and coupons. Instruct children to color or paint the pieces. They should glue the coupons onto the flower centers. Glue two flowers together, with the stem in the middle.

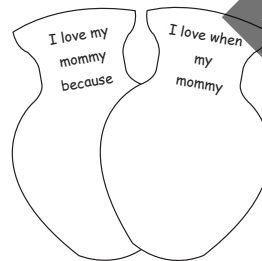

2. Cut a slit into the top of the front vase. Place flowers inside the slit.

Cut slit here.

3. Fold the vase together. Glue the pieces together with flowers inside. Carefully glue the edges only so that moms can take flowers out when using coupons. (Alternatively, moms can place a star on used coupons and keep them in the vase.)

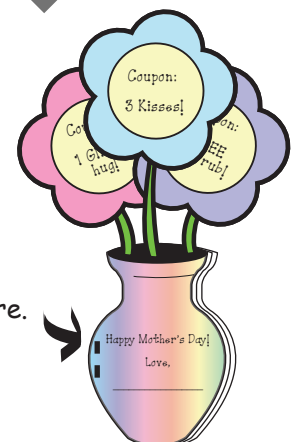

4. Choose which writing pages work for your class. I've included a blank option along with pages that say "mom," "mommy," "grandma," and "mum" to meet a variety of needs.

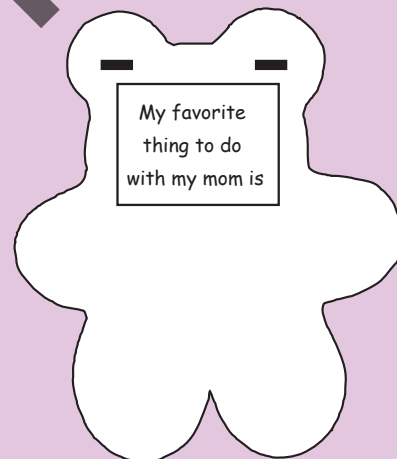

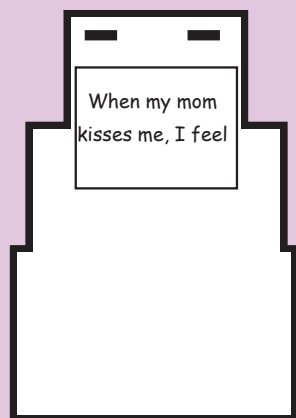

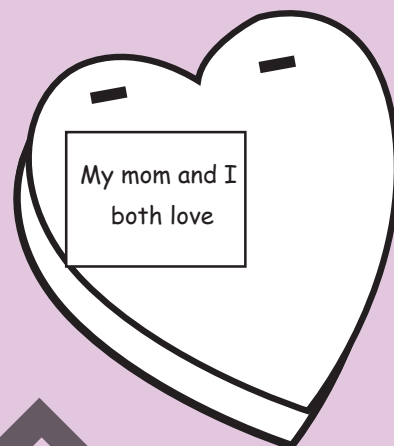

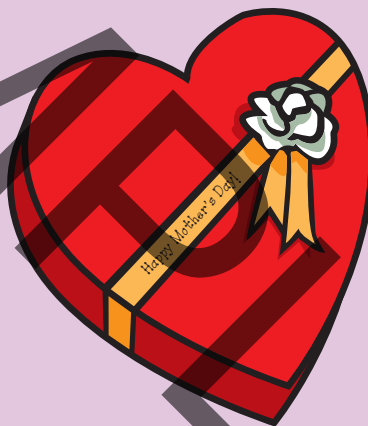

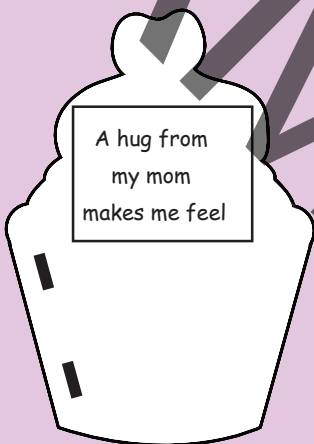

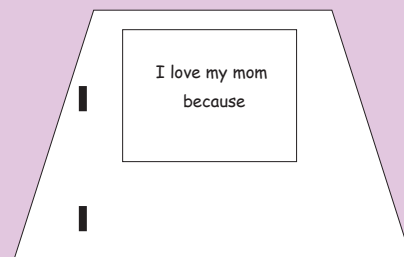

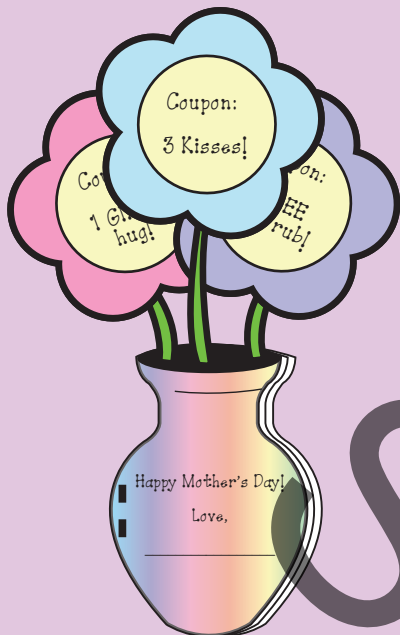

5. Once children have written about their moms or grandmas, staple the pages behind the cover.

Staple here.

Now, the project is ready to send home!

These Little Hands

(Author Unknown)

Children have a certain way
 of growing bigger every day,
 But these little hands
 and this special smile
 will stay in our
 hearts a long, long while.

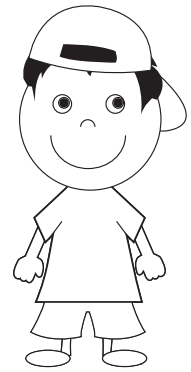

Happy Mother's Day!

Happy Mother's Day!

Love,

A Little Handprint

(Author Unknown)

Sometimes you get discouraged
 Because I am so small
 And always leave my fingerprints
 On furniture and walls.

But every day I'm growing -
 I'll be grown some day
 And all those tiny handprints
 Will surely fade away.

So here's a little handprint
 Just so you can recall
 Exactly how my fingers looked
 When I was very small.

Happy Mother's Day!

Love,
