I love my mom. Yeah, yeah! I love my mom. Yeah, yeah!

*I love my mom.
Yeah, yeah!*

Today is a special day
To honor mom in every way.
Today's a day to help you out.
That's what Mother's Day's about.

*I love my mom.
Yeah, yeah!*

*I love my mom.
Yeah, yeah!*

My mommy is so good to me.
She helps out our whole family.
I love when mommy hugs me tight,
And when she kisses me good night.

*I love my mom.
Yeah, yeah!*

She cooks for me. She cleans for me. She plays with me. She looves me.
She's beautiful. She's wonderful. My mom is really, really cool.
She holds me when I'm feeling sad, or when I'm hurt, or when I'm mad.
She helps me to feel much better. I will love my mom forever.

**I love my mom. Yeah, yeah! I love my mom. Yeah, yeah!
I love my mom. Yeah, yeah! I love my mom. Yeah, yeah!**

*I love my mom.
Yeah, yeah!*

So mom, what can I do
To make this day great for you?
Today is such a special day.

Happy Mother's Day!

*I love my mom.
Yeah, yeah!*

**I love my mom. Yeah, yeah! I love my mom. Yeah, yeah!
I love my mom. Yeah, yeah! I love my mom. Yeah, yeah!
I love you, Mommy!**
