Thanks to the Earth
Mother of life,
Awake from winter's embrace.
Thanks to the Earth
Mother of life,
Let sunlight warm every face!

Thanks to the Sun. Thanks to its rising!
Thanks to the brightness of the day.
Thanks to the Sun.
Thanks to its rising.
Thanks to the light that shines our way!

Thanks to the Earth
Mother of life,
Awake from winter's embrace.
Thanks to the Earth
Mother of life,
Let sunlight warm every face!

Thanks to the Sun. Thanks to its rising!
Thanks to the brightness of the day.
Thanks to the Sun.
Thanks to its rising.
Thanks to the light that shines our way!
