The 3 TIMESTABLES

I know just what Jessie picks...3 x 2 I know is 6.
She eats cookies all the time...3 x 3 ...I know is 9
They are on the tiptop shelf.....3 x 4 ..... I know is 12.
And when cookies come up missing.....3 x 5 I know is 15.
Jessie's tummy starts in aching.... 3 x 6.... I know is 18.
But she says she's just begun!!!! 3 x 7 is 21.
She says she will eat some more!!! 3 x 8.... is 24.
" Oh!!" says Jessie...." This is heaven!!! " 3 x 9 is 27.
"I know this will never hurt me ...." 3 x 10 I know is 30.

The 4 TIMESTABLES

Jessie's mother ate a snake!!! 4 x 2 I know is 8.
She got sick on Jessie's shelf!!! 4 x 3 I know is 12.
Doctor came to fix her sick spleen....4 x 4 I know is 16
Pills and pills!! He gave her plenty!!! 4 x 5 I know is 20.
Then he gave her many more!!! 4 x 6 is 24.
But she ate ANOTHER snake!!! 4 x 7 is 28.
Doctor said...."Well, shame on YOU!!!" 4 x 8 is 32.
"You got yourself in a fix!!!" 4 x 9 is 36.
"Open wide and swallow for me...." 4 x 10 I know is 40.

The 5 TIMESTABLES

Here we go!!! It's math again... 5 x 2 I know is 10.
Lots of my play-time I'm missing... 5 x 3 I know is 15
Surely now we've done a-plenty? 5 x 4 I know is 20.
Oh!!! It's hard to look alive!!! 5 x 5 is 25.
I feel like my brain is hurting... 5 x 6 I know is 30
Get this brain in overdrive!!! 5 x 7 is 35.
Multiplying is good for me... 5 x 8 I know is 40
Maybe is I strive and strive....??? 5 x 9 is 45.
Yea!! I see that math is nifty!!! 5 x 10 I know is 50
