

# Put A Smile On Your Dial

Put a smile on your dial x2

## Verse 1

I woke up this morning, put my smiley face on.  
I read in my bed all on my own.  
I said 'Good morning, how are you?' to everyone.  
What a great day it's going to be!

## Verse 2

I asked for some breakfast and I used the word 'please',  
My mum was amazed she said 'Wonders never cease!'  
I smiled even wider and I laughed and sang.  
What a great day it's going to be!

## Chorus

*'Cause when I'm happy in the morning, I am like the sun,  
My rays beam down on everyone.  
The world is brighter because of my smile,  
So come on everybody,  
Put a smile on your dial!  
Put a smile on your dial!*

## Verse 3

I came to school today with my smiley face on,  
'Cause at home, I'd got all my chores done;  
The whole class was happy, that included me,  
What a great day it's going to be!

## Verse 4

I walked in the classroom with my smiley face on,  
My smile was returned by everyone!  
My teacher said, 'Today, we're going to have some fun!'  
What a great day it's going to be!

## Chorus

## Verse 5

The children in my class behaved and worked so well,  
My smile was infectious, I could tell!  
We got to go out early for morning tea,  
What a great day for everybody!

## Verse 6

We all went out to play with a smiley face on,  
We all played together, everyone!  
We cared for each other and we had such fun,  
What a great day for everybody!

## Chorus

## Verse 7

My teacher stood before us with her smiley face on,  
Her rays beaming down on everyone.  
'I am so very proud of you all!' she said.  
'What a great day tomorrow will be!'

## Chorus

*'Cause when we're happy in the morning we are like the sun,  
Our rays beam down on everyone.  
The world is brighter because of our smiles,  
So come on everybody,  
Put a smile on your dial!  
Put a smile on your dial!*
