

Imagination

Verse 1

There is a special place, I go there all the time,
Pack up all my cares and leave my troubles far behind;
Everything gets sorted out, in that place, all is fine.
Lean closer and I'll tell you, that place is in my mind!

Chorus

*Just take a look around there,
Many treasures you will find,
Beyond imagination,
In the corners of your mind!
It costs nothing to get there, remember, happiness is free!
Close your eyes, we'll go together. You're the one who holds the key!*

Verse 2

You could paint your own picture, or live your fantasy.
You'll become whatever it is you would like to be.
Use imagination for your creativity;
Go to that place inside you and let your mind run free.

Chorus

Verse 3

You'll be there in an instant, it isn't hard to find;
No one's ever mean there, everyone is really kind!
If you're sitting wondering, whatever can you do,
Go on this little journey, your mind waits there for you!

Chorus
