

Four Seasons

Verse 1

In Springtime, we'll see pretty blossoms
On every apple tree
And little baby animals,
By mothers' sides will be.

Chorus

*Nature shows us the best things there are,
Her beauty is sure to please you!
Each year she gives us her four seasons,
Colours of every hue.*

Verse 2

In Summertime, you'll find us all
Enjoying water sports.
We'll holiday on beaches
And in popular resorts.

Chorus

Verse 3

Now Autumn is a favourite time
For all the family,
When walking through the fallen leaves,
Is where we'll want to be.

Chorus

Verse 4

In Winter, we'll be spending time,
Around a blazing fire;
All wearing warm and woolly clothes
And scraping ice from tyres.

Chorus
