

# Changing Pictures

## **Introduction**

We are growing and changing more and more each day,  
Going through life's stages, learning all along the way.

## **Verse 1**

Looking through our photographs, I was surprised to see,  
The many, many changes that have happened to me.  
I could not remember ever being so small,  
Hardly even noticed I was growing at all!

## **Chorus**

*We are growing and changing more and more each day,  
Going through life's stages, learning all along the way.*

## **Verse 2**

When I was first born, I spent so much time in my cot,  
So many things were done for me, I could not do a lot.  
Now many years later, I have changed and grown,  
Learnt to do so much completely on my own!

## **Chorus**

## **Verse 3**

Found a photo of me crawling 'round the living room  
And one where I was eating with my favourite spoon.  
Then there was one of me walking on my own,  
Chatting to somebody on the toy telephone!

## **Chorus**

## **Verse 4**

Smiling in my uniform the day I started school,  
I think it's fair to say that I looked grown up and cool!  
Since then, I can read and write and do more things;  
Spending time with my friends is my favourite thing!

## **Chorus**

## **Verse 5**

Looking at those pictures, it is so amazing how,  
I have come such a long way, take a look at me now!  
Each day's an adventure, I can't wait to see,  
Who this person I am now will grow up to be!

## **Chorus**
