

Juice

words and music by David C. Perry © 1996; additional lyrics by Jenny Heitler-Klevans © 1996
An echo song to a hip-hop beat.

Juice, juice I love it so.
It tastes so good, don't you know.
There's lots of kinds of juice I'm sure you'll agree.
I'll name a few, repeat after me.

Apple juice (apple juice)
Orange juice (orange juice)
Grape juice (grape juice)
Tropical punch (tropical punch)

Pineapple juice (pineapple juice)
Cranberry juice (cranberry juice)
Grapefruit juice (grapefruit juice)
sslp! Lemonade (sslp! lemonade).

Now you ask "how is it made?
What exactly goes into that lemonade?"
It comes from fruit you get from a tree.
Here's how you do it, repeat after me.

You pick 'em - pick, pick, pick (you pick 'em - pick, pick, pick)
You squish 'em - squish, squish, squish (you squish 'em - squish, squish, squish)
And that's how - squirt, squirt - juice is made! (and that's how - squirt, squirt - juice is made!)

Now it's made; what do you do?
You buy it from the store that's closest to you.
You take it home and you pour it out.
You're ready to drink, you pour it in your mouth, you go...

Sip, sip, sip! (Sip, sip, sip!)
Glup, glup, glup! (Glup, glup, glup!)
Juice in my bottle and juice in my cup. (Juice in my bottle and juice in my cup.)
Glup-glup-glup-glup-glup - Bottom's up! (Glup-glup-glup-glup-glup - Bottom's up!)

Now you know, you've heard the rhyme.
Let's try it again one more time!

Ahhhhhhh!
