

## **The Rain Falls on Everyone**

Oh, the sun shines  
On everyone  
Oh, the sun shines  
On everyone  
On you, on me  
On this we can agree  
Oh, the sun shines on everyone

Oh, the rain falls  
On everyone  
Oh, the rain falls  
On everyone  
On you, on me  
On this we can agree  
Oh, the rain falls on everyone

Oh, the flowers bloom  
for everyone  
Oh, the flowers bloom  
for everyone  
On you, on me  
On this we can agree  
Oh, the flowers bloom for everyone

Oh the flowers bloom  
The rain falls  
And the sun shines on everyone
