

# MY FOREVER VALENTINE

©1998, 1999 Wendy Rollin

Piano Lady Music ASCAP

On Monday we learned to say “Ola!”

*(wave “hi”)*

On Tuesday we saw the planet Mars

*(point up)*

On Wednesday we learned to spell “C-A-T”

*(form letters with fingers)*

On Thursday they showed us shooting stars

*(make sweeping motion with hands on “shooting”)*

On Friday we learned to add numbers

One plus one equals two

*(illustrate with fingers)*

But the very best lesson

Is one my grandpa taught me

*(illustrate with pointed teaching finger)*

The one I now teach you

What comes from the heart

*(follow with a clap, clap)*

Goes to the heart

*(follow with a clap, clap)*

And I hear your heart

*(Point to someone else)*

Speaking to mine

*(Point to yourself)*

It says to the end

*(follow with a clap, clap)*

Be my friend

My Forever Valentine

*(for the last two lines, hold hands with someone, or clasp hands over your heart)*

*(Return to “What comes from the heart” --- continue to end)*
